Chardonnay Barricato 40 DOC

Neil and Maria Empson created Bollini to fill a gap in the market for quality wines from the Alpine foothills of Friuli and Trentino in 1979. Their goal was to showcase the excellence and consistency of international varieties grown in Italy's cool northeastern regions, while keeping the prices affordable. Choice hillside locations, ideal day/night temperature swings, good ventilation and the complexity and minerality that come from the soil, all contribute to achieving concentrated, highly extracted fruit. What makes this wine especially interesting is its blend 40% of the wine is fermented in French-oak barrels and goes through malolactic fermentation to give it creamier sensations. The grapes for Barricato 40 are carefully selected by hand and cold macerated. The grapes are hand-picked and cold macerated. About 60% of the must is fermented in stainless-steel tanks while 40% (hence the name, Barricato 40) ferments in new French oak barrique, for about two weeks. After fermentation, the stainless-steel portion is racked, and 40% undergoes malolactic fermentation. Before blending, the wine ages on its lees, with constant bâtonnage to enhance complexity. In early spring, the final blend is assembled. The result is a creamy and structured Chardonnay.

Winemaking and Aging

Grape Varieties:	100% Chardonnay
Fermentation container:	60% stainless steel, 40% oak barrels
Length of alcoholic fermentation:	15 days
Type of yeast:	Selected
Fermentation temperature:	14-16 °C (57.2-60.8° F)
Length of maceration:	A few hours
Malolactic fermentation:	40% of wine
Fining agent:	Bentonite
Aging containers:	60% stainless steel, 40% oak barrels
Container size:	225 L barrique, 20-60 hL
Container age:	New
Type of oak:	French (Allier, Nevers and Tronçais)
Bottling period:	February/March
Aging before bottling:	7 months
Aging in bottle:	A few weeks
Closure:	Diam or screw-cap

Vineyard

Soil composition:	Stony, alluvial soil
Vine training:	Pergola and Guyot
Altitude:	200 - 400 meters (656-1,312 feet) above sea level
Vine density:	4,000-5,000 vines per hectare
Yield:	85 hl
Exposure:	South/southeastern
Age of vines:	15 - 25 year and older
Time of harvest:	Beginning of September
First vintage of this wine:	1981
Total yearly production (in bottles):	36,000

Tasting Notes and Food Pairing

Tasting notes:	Straw yellow with golden reflections and a fruity nose with aromas ranging from honey to vanilla and exotic fruit; full and well balanced on the palate, with a long, consistent finish.
Serving temperature:	Best served at 10-12 °C (50-53.6 °F).
Food pairings:	Ideal with fish and white meat; very versatile.
Aging potential:	Best to enjoy the freshness in its youth, but keeps well for a couple of years.
Alcohol:	Alcohol cont. by volume: 13%;
Winemaker:	Franco Bernabei with Neil Empson
