Supremus Toscana IGT

Supremus is considered an excellent gastronomic experience. It is the latest masterpiece and the maximum expression of the research and experience of two Masters of Tuscan wines: Franco Bernabei and Neil Empson. Launched in 2009, is made from Sangiovese, Cabernet Sauvignon and Merlot. The grapes hail from a few of the region's finest vineyard sites in the areas of Maremma, Colline Pisane, Colli Fiorentini and Chianti Classico. The vines for this wine are a minimum of 25 years old. Once the different varieties are vinified, the blend ages fourteen months in barrique – principally Allier oak, thirty-six months; 70% of the barrique are new. It then ages in bottle for a minimum of six months. An extremely intense, persistent bouquet showing elegant nuances of violet, red berry, cherry and toasted vanilla as well as balsamic, leather and mineral notes and hints of chocolate, black pepper and cinnamon and a full, lush, flavorful palate characterized by sweet, mellow, “fat” tannins; a velvety texture and a long, lingering finish.
